

# GOLD COAST MALIBU CLUB

**Newsletter 3  
March 2010**

**Next Club Round:** This Sunday the 21<sup>st</sup> of March 2010 (Social Round). As is the tradition with the club, we always surf the Malfunction location the club round before the actual Malfunction. So this Sunday we will meet near the entrance to the beach at the Kingcliff SLSC for a 'social' surf. Due to the numbers of members which are in the Tweed Coast Old Mal Club and therefore away on their club trip this weekend, this weekend was declared a social round meaning no points will be awarded (because there will be no one there to actually run it, scoring, heats, etc) but rather than not surf if people still wanted to get together and check out the banks where the Malfunction will be held. So this Sunday meet at the Kingsciff SLSC at 6:30 in the morning for a bit of fun.

## **NEWS TO DATE:**

February round was another good round with a couple more new members rocking up for a bit of 'fun in the sun'. We surfed out the front of the Kirra Pizza Hut and yes folks there were some waves to be had. Sadly however Wal's Gutter was in full flow and just ask Nathan once you're in it, it's off to Bilinga you go. Thank you to Wal for taking some pictures at the club round however due to both of us being complete dunder heads neither one of us could email the photos to the other, so stay tuned.

## **OTHER NEWS:**

Date for the Calendar – Saturday 15<sup>th</sup> May

As mentioned in previous newsletters we are going to have a social do this May, and after much toing and froing, the brains trust has come up with a fun night of dancing, (having seen some of you on the dance floor after a couple of 'lite ice shandies' this could be quite interesting). Gary and Debbie Gleave have kindly put their hand up to try to teach some of us more uncoordinated souls the finer points to swing.... No, no ,no not the kind where you all put your keys in a bowl, no, its swing dancing. So we will be cutting a rug down at the Kirra Sports Club at about 7:30pm. For any of you early birds or if you have

no where else to be the sports club does a good dinner for \$10.00 (the only place you can get a meal this cheap would be in Bali, which comes with a side dish of gastro). So keep your eye open for the flyer in your email.

P.S. – It would be appreciated if you could let Jacko know if you can or can not attend.

The Malfunction is upon us so is everyone all psyched up? For those of you who have been hiding under a rock for the last 27 years, the Malfunction will be running from the 24<sup>th</sup> through to the 28<sup>th</sup> of March. This event seems to jag the waves and it is always a fantastic experience in and out of the water, so if you haven't got your entry in yet get onto Sean and get yourself out there.

Don't forget to pick up your club rashies from Jacko if you had returned them for repairs.

Congrats to Craig and his partner on the birth of their little baby girl just after the January round. Mat tells me all are doing well.

Spare a thought for Matty A who would be just getting in from his sojourn to Hawaii. Did he get waves or did he just become some big local's love squishy, can't wait to find out, I'll try and have some info from Mat for you all next month

### **The Last Word:**

Not much to say (for once), except good luck to everyone as we enter into the contest season, with Noosa on as we speak, the Malfunction next week and Byron not far off. Just remember it's not whether you win or lose its how much BS you can spin at the bar that night...

The Super 8's Scribe Dean ☺

P.S.- Special thanks goes out to Shirley Taylor for coming down and checking if everyone is playing nice, especially that husband of hers, poor woman. Looks as though she'd have to be in the running for club ~~man~~ person of the year!

P.P.S – A note to Shirley's kids, see I managed to put your mum in the newsletter again and still no Terry ☺
