

# GOLD COAST MALIBU CLUB

**April 2011**

**Next Club Round:** Yes folks, we're on this Sunday meeting at 6:00 out the front of the Coolangatta McDonalds.

## **NEWS FROM LAST ROUND:**

Sadly, I missed the last club round due to taking the family camping up Double Island for the week and by the sounds of it you guys got the lion's share of the swell. Jacko informs me that the club round was held at the old ever faithful Flatrock (much to the dismay of the local surfers) and the waves had about head high faces so it must have been quite contestable. Being a showery kind of day the numbers were fairly good considering a lot of the members were off camping and so it was decided to run 'man on man' heats which everyone seemed to enjoy and who wouldn't 20mins in the water with only one other contestant. According to those who were there Matty A and Trent were on fire again. After the heats were done and dusted Trea bought down a hearty breaky for the hordes but most importantly she bought our newest member Matilda to meet everyone

## **OTHER NEWS:**

### **Social Night Reminder**

The Burleigh Longboard Club guys are organizing a social night at the Surfworld at Currumbin on the night of Good Friday. Guest speakers will be talking about judging and surfboard design. Sadly I'll be away but it would be great to see some members attend god knows getting the most up-to-date information about judging is crucial to making an event run smoothly and important to those who enjoy competing at the next level. If for nothing else it is a good opportunity to get to know others in the longboard and the wider surfing communities.

Please see the attached flyer

It is now April which means we are setting the agenda for the AGM (tentatively programmed for the 3<sup>rd</sup> Sunday of June) so have a think about issues you would like discussed, how you might be able to help the club for the next twelve months and the future direction of the club.

Please but forward ideas for this year's Presentation Night/Afternoon; it looks like it will be held in July.

The Malfunction has been run and won for another year and by all accounts the surf was quite good and we had some members do really well
